

Pappas Telecasting Companies' 'donation' of \$325,000 in airtime to Republican candidates is blatant!

when a corporate headquarters decides to provide one side in local elections a louder voice than others, they are playing with fire!

Pappas uses the public airwaves free of charge! They are obligated by law to serve the public interest.

Pappas' actions cast doubt on whether Pappas truly intends to serve the public interest.

This shows why the license renewal process needs to involve more than just a returned postcard.

I am sending my complaint to the FCC.
